

## **Retrieving Personal Employee Health Records**

1. To start go to the site: <a href="https://uiowa.readysetsecure.com/rs/">https://uiowa.readysetsecure.com/rs/</a> and log in using your Username and Password

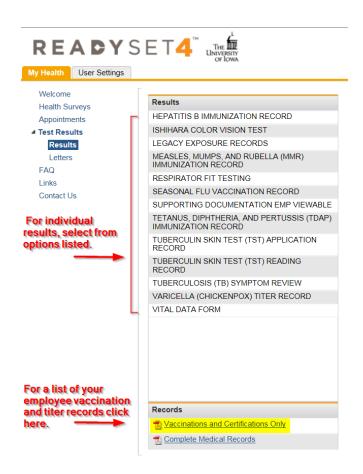

Once you log in you will be redirected to the ReadySet Welcome page.

2. On the left-hand side of the Welcome page select Test Results

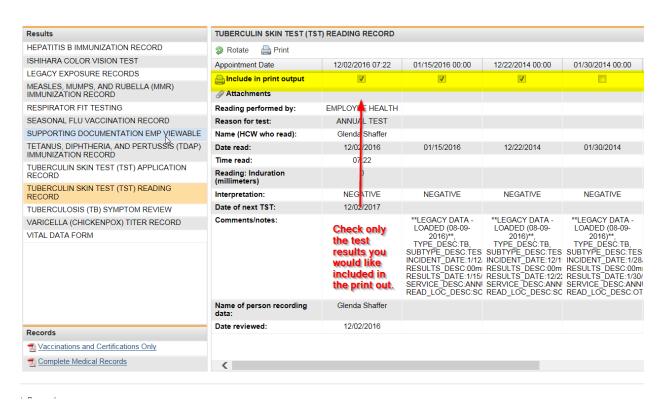

- 3. Select Results
- 4. Under the Results header select the test you would like to view, or choose *Vaccinations and Certifications Only* at the bottom of the page (see below)

If choosing an individual test, the 3 most recent results will automatically be included in the print out; you can edit this by checking or unchecking the boxes located in the *Include in print output* row (see below)

5. Once you have selected the results you would like click the *Print* button
